APPENDIX G-3

III. Reasonable Distance, Very Low Income, Definition of Engaged In Work For Child Care In Lieu of Temporary Assistance, Family Share, Case Closings and Openings, and Fraud and Abuse Control Activities_ (Required Section)

Reasonable Distance

Your district is required to define reasonable distance based on community standards for determining accessible child care.

The following defines "reasonable distance": **Reasonable distance is child care is available with a 15 mile radius.**

Describe any steps/consultations made to arrive at your definition: **Sullivan County explores the child care issues at initial assessment. We contract with Center for Workforce Development to implement our employment services. We are rural county and need to make reasonable distance very flexible.**

Very Low Income

Very Low Income is defined by each district and is used in determining priorities for child care benefits.

Very Low Income is defined as **100%** of the State Income Standard.

Definition of Engaged In Work For Child Care In Lieu of Temporary Assistance

The minimum number of hours for Federal Fiscal Year 2006 are:

- **20 hours for a single parent with a child under the age of six years old**
- 30 hours for a single parent whose children are six years of age and older
- in two parent families the parents must be working a combined total of 55 hours with at least one parent working 30 or more hours.

If a district proposes a higher minimum number of required hours of work describe the requirement below. **Sullivan County is not proposing higher numbers.**

- hours for a single parent with a child under the age of six years old
- hours for a single parent whose children are six years of age and older
- In two parent families the parents must be working a combined total of 55 hours with at least one parent working or more hours.

Family Share

Family share is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. In establishing family share, your district must select a percentage from 10% to 35% to use in calculating the family share. The family share of child care is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by our district **35%**.

Case Closings (select one or two)

1. The district must describe below how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Described below is how the district will select cases to be closed in the event that there are insufficient or no funds available.

The following will be the priorities for case closings:

- Full time working parents
- Part time working parents
- Teen parents who are in approved training/educational program
- Parents attending higher education or an approved vocational program
- Parents actively involved in job search
- Very low income families
- Children with special needs

2. The district has not established priorities beyond the federally-mandated priorities. If all NYSCCBG funds are committed, case closings for families which are not eligible under a child care guarantee and are not a federally-mandated priority must be based on the length of time in receipt of services. The length of time used to close cases may be based either on the shortest or longest time receiving child care services but must be consistent for all families. The district has chosen to close cases based on:

- shortest time receiving child care services
- longest time receiving child care services

Case Openings

The district must describe below how priority is given to federally mandated priorities and how the district will select cases to be opened in the event that there are insufficient funds available.

The following will be the priorities for case openings:

- Full time working parents
- Part time working parents
- Teen parents who are in approved training/educational program
- Parents attending higher educations or an approved vocational program
- Parents actively involved in job search
- Very low income families
- Children with special needs

Fraud and Abuse Control Activities

The district must identify below the criteria it will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payment and procedures for referring such applications to the district's front end detection system.

Sullivan County has included ChildCare in the FEDS plan. Referrals are made to Special Investigations Unit by ChildCare Unit, ChildCare council, DFS fiscal office, Employment worker, TA/MA/FS workers. There is a designated form that is used when there is suspicion of fraud or discrepancies.

The district must describe below its sampling methodology used to determine which cases it will seek verification of an applicant or recipient's continued need for child care including, as applicable, verification of participation in employment, education or other required activities.

Sullivan County does Child Care recertifications every 6 months. We do 100% recertification. At recertification the recipient is required to provide verification of need for continued child care services which included but are not limited to: wage stubs, school verification, medical documentation.

The district must describe below its sampling methodology used to determine which child care providers of subsidized child care services they will review for the purpose of comparing the child care providers attendance forms for children receiving subsidized child care services and any child and adult care food program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

Legal exempt/ informal providers who are enrolled in the Food Program are required to provide a schedule of when the child is attending and what meals are being provided. The DayCare Council does an unannounced visit with the provider 3 times per year. The provider must provide verification of the meals and child's attendance.

APPENDIX G-4

IV. District Options (Required Section)

Districts have certain flexibility to administer the child care subsidy program to meet local needs. Check which options that your district wishes to include in your county plan. Complete attachments for any area(s) checked.

1. Our district has identified local priorities in addition to the federal priorities (complete Appendix G-5).
2. Our district has chosen to establish funding set-asides for NYSCCBG (complete Appendix G-6).
3. Our district is using Title XX funds for the provision of child care services (complete Appendix G-7).
4. Our district has chosen to establish additional local standards for child care providers (complete Appendix G-8).
5. Our district has chosen to make payments to child care providers for absences (complete Appendix G-9).
6. Our district has chosen to make payments to child care providers for program closures (complete Appendix G-10).
7. Our district has chosen to pay for transportation to and from a child care provider (complete Appendix G-11).
8. Our district has chosen to pay up to a 15% higher than the applicable market rates for regulated child care services that have been accredited by a nationally recognized child care organization (complete Appendix G-11).
9. Our district has chosen to pay up to 15% higher than the applicable market rates for non-traditional hours (complete Appendix G-11).
10. Our district has chosen to pay for child care services while a caretaker who works the second or third shift sleeps (complete Appendix G-11).
11. Our district has chosen to make payments to child care providers who provide child care services, which exceed 24 consecutive hours (complete Appendix G-12).
12. Our district has chosen to include 18, 19 or 20 year olds in the Child Care Services Unit (complete Appendix G-12).
13. Our district is seeking a waiver from one or more regulatory provisions. Such waivers are limited to those regulatory standards that are not specifically included in law (complete Appendix G-12).

APPENDIX G-4 (continued)

- 14. Our district has chosen to pay for breaks in activity for low income families (non public assistance families, complete Appendix G-12).

- 15. Our district has chosen to use local equivalent forms such as, but not limited to, child care application, client notification and/or legally exempt enrollment forms (attach copies of the local equivalent forms your district uses).

Any previous approvals for local equivalent forms will not be carried forward into this county plan. Therefore, any local equivalent forms a district wishes to establish or renew must be included in this plan and will be subject to review and approval by OCFS.

**APPENDIX G-11
TRANSPORTATION, DIFFERENTIAL PAYMENT RATES, SLEEP**

Transportation

Describe below under what circumstances and limitations if any your district will use to reimburse for transportation, what type of transportation will be reimbursed (public vs. private), and how much your district will pay (per mile or trip). Note if paying for transportation, Appendix F will need to reflect this choice.

N/A

Differential Payment Rates

Indicate below the percentage above the market rate your district has chosen.

Accredited Programs may receive a differential payment up to _____ % above market rate.

Care during non-traditional hours may be paid up to _____ % above market rate.

Limitations to the above differentials are as follows:

Payments may not exceed 15% above market rate. However, if your district wishes to establish a payment rate that is in excess of 15% above the applicable market rate must describe below why the 15% maximum is insufficient to provide access within the district to accredited programs and/or care provided during non-traditional hours.

N/A

Sleep

The following describes the standards that will be used in evaluating whether or not to pay for child care services while a parent or caretaker that works a second or third shift sleeps and any limitations pertaining to payment:

Sullivan County will pay for up to 6 hours of sleep if a parent/caretaker works the second or third shift. The parent/caretaker would have to inform the County of the details of who is providing the childcare and where it is provided. A case by case decision would be made based on all information: Are there two parent/caretakers in the home to split the childcare duties, are the children in school, what shift do they each work, is the caretaker a single parent. If the single caretaker is working the second shift, we would allow the provider to keep the child so the parent/caretaker could have some sleep time.

Indicate the number of hours allowed by your district (maximum number of hours allowed is eight). **6 hours.**
